The photo above is the unique sign for Glacier Peaks RV Park, Columbia Falls, MT. Columbia Falls is only 30 minutes from Glacier National Park.

Whitefish and Kalispell are just a few miles away, 6½ and 14 miles respectively. There are tons of great rides in the area. We'll have a couple of group rides during the rally. *Going to the Sun Road* is one of the favorite destinations.

The *Going to the Sun Road*, spans 50 miles and crosses the Continental Divide at Logan Pass. During your traverse, you'll view impressive glaciers, beautiful valleys, cascading waterfalls, towering mountains and colorful wildflowers. Most visitors will also witness wildlife sightings on their trip across the Sun Road!
